Dear Grant Committee:

It is with great enthusiasm that I write this letter on behalf of Clothing INC again this year. They are a spectacular organization that provides infinite support to our community.

The service Clothing INC provides to our community is unparalleled. However my gratitude for them goes beyond how they support my neighbors in need. I am the Community Service Coordinator with the Isabella County Trial Court. Clothing INC extends an amazing opportunity for my community service participants, both adults and juveniles. Clothing INC affords a very satisfying experience for participants of all ages. Generally speaking the people I work with are not happy to do community service. Though I often receive positive feedback from participants when working with Clothing INC. I am confident when I send people to Clothing INC to fulfill their community service obligation that they will have a positive experience. I trust they are well supervised and learning a great deal because they are working with such a terrific organization. Usually they come away with a better attitude and a good feeling about themselves because of what they learned and accomplished with Clothing INC.

Last year I had an opportunity to work very closely with Clothing INC. Once a week for most of the summer I volunteered with some of our juvenile probationers. I worked right along with them as they performed community service hours. I learned first-hand the operation of this awesome organization. While I was volunteering I witnessed the interaction with our juvenile volunteers as well as the general public they serve. I was very impressed with the staff and volunteers while interacting with guests who were utilizing the services of Clothing INC.

In conclusion I am pleased to support Clothing INC in their endeavor to serve the Community of Mt. Pleasant. I am very fortunate to have this great working relationship with such an outstanding organization, who never fails to improve opportunities for many in Isabella County. I anticipate many more great opportunities for our mutual community members.

Sincerely,

A handwritten signature in cursive script that reads "Mary Weiss".
